Latah County is located in northern Idaho, bordering Washington. It ranks 10th among Idaho counties in population and 29th in area. The federal government owns about 16 percent of the county. Agriculture, forest products manufacturing and the University of Idaho heavily influence the local economy. Annual average total civilian employment grew 10.2 percent from 1991 to 2001. Major employers include the University of Idaho, Bennett Lumber Products, Wal-Mart, Winco, Gritman Medical Center, the school districts, Latah Health Services, Inc., and Rosauers Super Markets.

In the heart of the Palouse Prairie, Latah County has some of the richest farmland in the United States. The University of Idaho in Moscow is home to the largest jazz event in the Northwest, the Lionel Hampton Jazz Festival, held annually in February.
